

Jay Corley, DDS & Rebecca Lauck, DDS

[BLUE STONE DENTAL]

Specialty | General dentistry, dental implants, laser dentistry, PerioLase gum treatment, cosmetic dentistry, orthodontics and TMJ dysfunction.

Most Important Qualities of the Doctor-Patient Relationship | We take the time required to actively listen to our patients—to understand their specific wants and needs. We work hard to effectively guide them through their treatment.

Why Choose Us | With two doctors under one roof, we are able to focus on our specific strengths and use our individual training to cover all areas of dentistry. Therefore, we

rarely have to refer our patients to another practitioner. We are able to coordinate all of the family members' wants and needs in one location. We are committed to exceeding your expectations by providing personalized attention and giving the highest quality care in a family-friendly environment.

Professional Memberships / Licenses American Academy of Implantology, American Association of Functional Orthodontics, International Association of Orthodontics, American Orthodontic Society, American Academy of General Dentistry, Texas Academy of General Dentistry, American Academy of Cosmetic Dentistry, American Academy of Craniofacial Pain, American Dental Association, Texas Academy of High Tech and Laser Dentistry and American Academy of Sleep Medicine.

Dr. Jay Corley | He is a graduate of Baylor College of Dentistry and is one of only a few doctors in Texas that has hands-on training in the new FDA approved Laser Periodontal Therapy. He has extensive training in Sedation Dentistry, in order to offer patients the most comfortable visit.

Dr. Rebecca Lauck | She graduated from Baylor College of Dentistry in 1986 and joined a group dental practice. In 1995, she opened this office where she has practiced ever since. She has attended more than 2,000 hours of continuing education classes since graduating from dental school to best serve her patients.

Charitable Work, Honors or Awards We are both actively involved in Amazon Out Reach Christian and Medical Missions.
